

Online Parenting Course - Managing physical and aggressive behaviour through NVR for primary school children with ADHD

22
Jun

⊙ All day
📍

This five-week online course will focus on supporting parents of primary school children who frequently exhibit aggressive, controlling and very challenging behaviour.

A parenting course on non-violent resistance training for parents of children with ADHD in primary school who display physical and aggressive behaviour.

This course will cover:

The causes of violent or aggressive behaviour

How to de-escalate difficult situations

How to therapeutically address and stop unwanted behaviours

How to improve and repair the relationship with your child and create a calm home
