Our Saturday Club for children with special educational needs and disabilities in Richmond has been running in Hampton for over 15 years. Our aim is to provide a safe, social and interactive environment for children and young people aged 8-18 years.

This club, which runs for 3.5 hours, provides unpaid Carers (wife, husband, parent carer, siblings) with an essential break from their caring role. It allows them to spend quality time alone, take time out, attend appointments, participate in activities or spend time with their partners.

A fun, safe and stimulating environment for children and young people, the activities, which are tailored to their needs include football, Karate (including grading), cookery sessions, art, games and other sports, as well as seasonal pantomime trips and outings.

Children and young people are able to spend time at a “club of their own” while parent Carers get a break.
