08

⌚ 6pm to 9pm

📍 Enhancable Centre, 13 Geneva Road, New Malden. [View map](#)

The Larch Club opened in August 2023 and provides a social drop-in club for adults with autism (23+) without a learning disability. The club operates as a drop in with activities that include socialising, board games and arts & crafts. We want this club to be a venue for people with autism to feel comfortable to be themselves and share their experiences with others who understand the challenges that they face.

Who is this for?

This club is for adults (23+) with autism, either by diagnosis or for anyone that feels they have the traits associated with autism. Those with a learning disability will be signposted to other services. There is a short referral form required to sign up, any questions give us a call. Sign up here: <https://www.kingstoneco-op.org.uk/the-larch/>

When is the club open?

Every Wednesday, 6pm to 9pm. Each session costs £5.00, payable by cash or debit card.
