### Spread Your Wings - Career Coaching Programme

This 6 week programme for young people aged 12 to 14 years with additional needs covers 6 employability modules, delivered through 1 hour Zoom online workshops.

The programme aims to:

Inspire and raise aspirations for young people with additional needs

Provide holistic early specialist careers planning for young people aged 12-14

Encourage child and parent collaboration and conversations

build confidence and alliance through a supportive and informative network

This programme runs alongside the Spread your Wings parent programme - both parent and child should attend the separate workshops.

The next online programme of workshops for young people will start on Wednesday 21st February 5pm-6pm and Friday 23rd February for parents.

You can apply using the link to the booking form below.
