Chat danger

Organisation details

Description of activity

A web site all about the potential dangers on interactive services online like chat, IM, online games, email and on mobiles.

Aim:

The Chatdanger website has been created to inform young people about the potential dangers and ways of keeping safe in interactive areas online, such as chatrooms, instant messenger, online games and email, and also via mobile phones. The aim of the site is very much to inform and empower users of these services, so they can use these services safely, and not at all to discourage people from using these services.
