Special Seating Service

Organisation details

Description of activity

The Special seating service is for clients, both children and adults, with complex postural and mobility problems who are unable to maintain their position in a standard wheelchair or buggy.

This is a regional service commissioned for clients in London, Surrey and West Sussex. Your child's GP or physiotherapist/ occupational therapist can refer to these services.

What we offer:

A multidisciplinary team provides assessment, prescription and manufacturing of custom made seating equipment.
