Seeability

Organisation details

Description of activity

SeeAbility is a specialist registered charity enriching the lives of people who have sight loss and other disabilities, including learning and physical disabilities, mental health difficulties, acquired brain injury and life limiting conditions.

We believe that everyone has ability. We teach and empower people to develop and maintain their skills to lead meaningful and fulfilling lives.

Our approach takes experience, highly trained staff, dedication and patience. We see this as an investment in a person's future.
