Richmond AID

Organisation details

Description of activity

Richmond AID is a charity run by and for disabled people in the London Borough of Richmond upon Thames and surrounding areas.

We support disabled people, families, carers and professionals by providing services such as an advice service, Richmond SPADE (our gardening service), a benefits service, counselling and support with digital services and tech.

We support people of all ages with all kinds of disabilities, including physical and sensory impairments, mental health issues and learning difficulties. Our aim is to support disabled people to live independent lives and to have the same opportunities as non-disabled people.

We work with many organisations to meet the needs of disabled people and are keen to continue to develop successful partnerships.
