Connect at the Wolverton Centre, Kingston

Organisation details

Description of activity

Connect is a free and confidential NHS sexual health, relationships and contraception service for young people with learning difficulties, autism and Aspergers.

It is held every Wednesday at 15.00 at The Wolverton Centre in Kingston offering advice and information regarding:

relationships

having safe sex

testing and treatment for STIs (sexually transmitted infections)

HIV testing/counselling and advice

free condoms

full contraception service

Young people are welcome to visit by themselves, or can bring someone with them for support if preferred.

Parents, carers and professionals can also book appointments for themselves for advice and support.

No referral is required to attend this service.

Ask for a 'Connect Appointment' by:-

Phone: 020 8934 3399 and speak to Jane at the Wolverton Centre

Email: khn-tr.wolvertonappointments@nhs.net

Some drop-in appointments are available during each Connect clinic - please telephone 020 8934 3399 to find out more.
