River Thames Boat Project

Organisation details

Description of activity

River Thames Boat Project offers educational, therapeutic and recreational cruises and activities on the River Thames for the young; for older people; and people of all ages with a disability or mental health condition.

They offer standard and bespoke programmes that provide a choice of day and residential cruises for older people and for people with a physical disability, a learning disability, or a mental health condition.

They also run education and learning programmes for children and young people. The schools programme is based on the National Curriculum and learning activities are bespoke.
