Organisation details

Description of activity

Epsom's college of further and higher education offers full and part-time vocational courses and apprenticeships to students across Surrey and Greater London.

NESCOT have a dedicated team of teachers, experience in working with young people with learning disabilities/difficulties. As well as:

- Learning support assistants in every lesson to provide additional academic support
- Student mentors to support social difficulties
- College counsellors to provide emotional support
- A college nurse to support health needs

Students with learning difficulties or disabilities have a choice of pathways:

- Mainstream courses with learning support
- Courses for students who have mild to moderate learning difficulties and/or disabilities and those who have no formal qualifications or are not in education
- Preparation for Working Life for students with moderate learning difficulties in a supported learning environment in Seasons Learning Hub 1
- Seasons Learning Hub 2 for students with more profound difficulties focussing on Independent Living
- Transition into Employment (TIE) or Progressing into Employment (PIE) programmes are also available if appropriate for the young person
