No

Is there a cost for this service or activity

No

Taking part if you are a child or young person with additional needs or a disability.

How can a child or young person with SEND take part in this activity

At Our Barn we provide a stepping stone for young people to start making more choices and head towards an independent life. We are a user-led organisation, set up by parents of older disabled children. This benefits our wider user group enormously as the services are designed from conception to implementation to be as fully accessible as possible.

Young people can access these services.
