Organisation details

Description of activity

We are a charity based in Kingston providing digital technology services for communities, advice, practical support and skills development for small organisations and beneficiaries.

We have a 20 year track record of delivering innovative projects and services both in Kingston and across 5 London boroughs.

We can offer your organisation free and low cost online tools, equipment and apps.

Keep in touch via our monthly e-news to find out the latest tech news and updates for the voluntary and community sector PLUS the training and support we are delivering in your area.

We look forward to connecting with you and your organisation.
