## Happy in School project

### Organisation details

#### Description of activity

The #happyinschool project provides empowering, mindful & educational sessions for parents & educators to ensure children with #autism & #ADHD are #happyinschool. Expect role play, presentations, discussions, peer support, workshops & family support.

Suzy has now passed her Level 2 Certificate in Cognitive Behavioural Therapy, which means with ongoing supervision, she will be able to work directly with young ADHD and autistic people, supporting them through a range of mental health challenges. Please use the website to book an initial FREE consultation about this service
