All Aboard Club

Organisation details

Description of activity

What we do

All Aboard Club runs inclusive train play sessions for autistic, ADHD and special needs children.

The children can build and play with our huge train sets in a safe, understanding and supportive environment.

Play sessions

At our play sessions, the children are in charge. It builds their confidence, reduces their anxiety, and allows them to play for hours, while developing their social and communication skills.

We provide a safe, understanding and supportive environment for the children to enjoy their trains.

They can run the trains, build the track, and sort out any problems. They have boxes and boxes of trains, track, tunnels and bridges to choose from.

Parents are often surprised by how relaxed, focused and calm their children are during our 2-hour play sessions.

We also hold sessions in Woking, Sutton, Lewisham, Acton, Esher and Twickenham

All Aboard Club staff and volunteers have lived experience of autism and ADHD, so we understand the children's challenges. We do everything possible to make the sessions as accessible and inclusive as possible for each and every child.

Availability details

Description of eligibility or referral criteria and pathways (if applicable)

We welcome autistic and ADHD children of any age, whether they have a formal diagnosis or not. You don't need an invitation or a referral. Just book your tickets and come along. Most of the children at our events are aged between 4 and 11, but we also have older children who enjoy their trains.
