Richmond Parent Carer Forum

Organisation details

Description of activity

Richmond Parent Carer Forum is an independent group run by parents for parents or carers of children/young people (aged 0 – 25 years) who have any form of special educational need or disability. Your child does not need an official diagnosis for you to become a member and we support families of children with any type of additional need including learning difficulties like dyslexia.

We receive core funding from the Department for Education and our purpose is to ensure that the voices of parents, children and young people are heard in the planning and implementation of SEND services in Richmond. We can also help you to access services and provide valuable peer support, connecting you with other parents who understand the special joys and challenges of raising a family with additional needs.

Membership is open to all parents and carers of children and young people with special educational needs and/or disabilities (aged 0-25 years) who live in the London Borough of Richmond upon Thames. Here is a link to the Membership form:
