LVA

Organisation details

Description of activity

LVA is a charity which teaches R.S.E (relationship and sex education) in schools and other youth settings. Our core belief is that we are all loved, valued and able (LVA). Our ambition is to encourage positive self-esteem and healthy relationships.

At present we teach in Richmond, Hounslow, Hammersmith & Fulham Borough schools in year groups 5-13.

Our sessions are designed to ensure young people receive consistent and age appropriate information.

We work in partnership with teachers, school pastoral teams and other external providers to ensure national guidelines are met. We also equip parents to guide their children through adolescence.
