PANS/PANDAS UK Charity

Organisation details

Description of activity

PANS (paediatric autoimmune neuropsychiatric syndrome) and PANDAS (paediatric autoimmune neuropsychiatric syndrome associated with strep) are devastating neuropsychiatric conditions that are currently poorly recognised, diagnosed and supported both medically and in schools.

One estimate suggests that up to 1 in 200 children suffer from this condition.

Resources for parents including diagnostic criteria and details of local support groups.

Resources for Medical professionals

Resources for teachers and Schools

Teacher training package

Facebook group for parents/caregivers

Facebook group for Young People age 12-17 with the condition.
