Afghanistan and Central Asian Association

Organisation details

Description of activity

We work with Afghans and Central Asians living away from their homeland, providing them with support, skills and knowledge to live and prosper in the UK.

Our wide range of services includes English language classes, employment workshops, a women's support group, a Saturday school and homework club, youth and family support services, drop-in and telephone advice, volunteer placements, and cultural and social events. We provide outreach and visits to individuals and families in detention.

We also work in Afghanistan, where we are developing citizens advice centres in Kabul and Pul-e-Khumri, following a successful pilot project from 2013–2016. They will offer free, impartial and confidential advice, information, support and legal aid on issues including education, employment and domestic violence.
