## Squish Space Barbican

### Organisation details

#### Description of activity

Squish Space, is a sensory play space for children under 5 and their families.

The space brings people together to learn through interaction, collaboration and play. Using a variety of materials and tactile objects, it's a place to spin jump, hide, touch and explore.

Squish Space is produced by artists India Harvey and Lisa Marie Bengtsson in collaboration with Creative Learning.

Squish Space has a limited capacity of 16 people (including children) and advance online booking is essential.

The space will be cleaned and all objects sanitised every day from 1pm – 2pm. All staff will be wearing masks (unless exempt) though masks are optional for attendees. We are encouraging social distancing where possible by limiting capacity.

Check dates & book on the weblink below.
