Kingston Disability Network

Organisation details

Description of activity

Kingston Disability Network is an inclusive network bringing together a network of stakeholders to create a collective stronger voice for those with disabilities to achieve positive outcomes such as:

Raising awareness on disabilities

Offering a platform to engage

Sharing of knowledge and experience

Stakeholder networking and collaboration to create greater community collaboration

Background

Kingston is one of 13 London boroughs to be awarded funding from the GLA and London Councils as part of their Supporting London Boroughs Engagement Project. The aim of the project is to work with communities to ensure that Londoners' voices are heard and for participating boroughs to share any learning with all London boroughs.

The Kingston Disability Network is being created to raise awareness of disability issues, provide an opportunity to share knowledge and experience and offer a platform for engagement.
