## The Theatre Academy - SEN Inclusive Theatre Club

### Organisation details

#### Description of activity

A theatre club for children with additional needs. This will be an informal, inclusive, fun, relaxed and welcoming experience where children can be themselves, make as much noise as they like, play with a range of props, costumes, music and take part in a range of sensory activities for pure enjoyment.

We will guide the children through funny games, playing any characters they fancy such as fairies, superheroes, pirates, villains, heroes and much more.

If the children wish to, we will preset lovely songs, stories and dances to parents and carers at the end of each term.
