Join us this summer for our brand-new Best Start in Life Outside Garden Play sessions at Ham Children's Centre, now part of the Best Start in Life Hub.

These relaxed, outdoor sessions make the most of our lovely, sunny outdoor space and new resources, giving children the chance to explore, play, and learn through nature. Rooted in the Best Start in Life (BSIL) initiative, the sessions support early development by encouraging curiosity, physical activity, communication, and wellbeing through play in a safe and stimulating environment.

Come along to enjoy fresh air, creative outdoor activities, and opportunities for your child to build confidence and social skills while you connect with other local families.

Free drop-in session – no need to book.
