This April, we've got the bare necessities of life covered. Your young cub will love putting on a show about Mowgli and his animal friends. Rudyard Kipling's classic, *The Jungle Book*, has gripped generations of children and yours will be equally entranced by its magic.

Journeying deep into the jungle, they'll meet Baloo the bear, black panther Bagheera and hunt down ferocious Bengal tiger Shere Khan, all while enjoying lots of fun and laughter.

Our warm and friendly team of theatre professionals will inspire and encourage them as they combine drama, dance and singing into a magical production. They'll guide the children every step of the way and encourage them to project their voices, learn energetic dance routines, sing catchy songs and develop the Perform 4 Cs: Confidence, Concentration, Communication and Coordination.
