

Post-diagnosis session for parents - In person

13
Jan

🕒 All day

📍 Twickenham Training Centre, 53 Grimwood Road. [View map](#)

Are you the parent/carer/relative of a recently diagnosed child or teenager? If so, then our Post Diagnosis workshop provides you with the opportunity to develop an understanding of ADHD, its impact on brain function and to explore holistic approaches for managing the condition, both medical and non-medical.

Having a child or young person with ADHD can be an isolating and challenging time, so meeting with other parents/ carers who are experiencing similar challenges can be supportive and encouraging.

Our post-diagnosis workshop is delivered by our Family Support Worker and is full of essential information to inform, help and empower you.
