Guide dogs (London mobility scheme)

Organisation details

Description of activity

Our dedicated team of supporters and staff help deliver a range of mobility services, whether its training guide dog partnerships, empowering people through sighted guide, or supporting people through our buddy dog scheme.

Our huge range of volunteering and fundraising activities drive the services that ensure blind and sighted people in the UK's busiest city can become, and stay as mobile as possible.

We cover all 33 London boroughs, support over 320 guide dog owners in the city and we are also responsible for training the dogs provided to all new clients.
