Contraception and Sexual Health Service (CaSH) - Richmond

Organisation details

Description of activity

Our Contraception and Sexual Health (CaSH) service in the borough of Richmond provides:

Contraception services:

Emergency contraception up to 120 hours after unprotected sexual intercourse

Condoms (the only methods of contraception that protect against STIs as well as unwanted pregnancy)

Contraceptive pills

Contraceptive injections

Contraceptive implants

Pregnancy testing

Abortion Referrals

Chlamydia & Gonorrhoea testing

Diaphragms and caps

Intra-Uterine Device (IUD)

Intra-uterine System (IUS)

IUD/IUS removals

Contraceptive implants

Implant removals

Referrals are not required for the majority of the contraception and sexual health services - which are walk-in, open access services.
