Park Lane Stables RDA

Organisation details

Description of activity

We have a number of different horse riding lessons and courses, suitable for children of all ages and abilities.

The horses at Park Lane are kind, honest and steady, and make perfect companions for RDA riders.

We are a friendly and inclusive yard and warmly welcome RDA riders to join any of our regular riding sessions throughout the year. Half hour or hourly sessions can be easily arranged - just contact us to discuss your requirements and we will ensure they are matched to a ride suitable for the rider ability. The specially trained team at our unique suburban yard really do believe that it's what you can do that counts, and look forward to helping many more riders achieve their dreams in the years to come.

How can we help you?

We are part of a network of 500 groups across the UK that works as an official RDA group. Our horses and ponies provide invaluable therapy, achievement and enjoyment to people with disabilities in and around London. Volunteer groups, such as Park Lane Stables, organise activities such as riding, carriage driving, vaulting and show jumping.

All sessions are run by fully trained RDA instructors and friendly, DBS-checked volunteers to ensure participants have all the support they need.
