How can a child or young person with SEND take part in this activity

We welcome families and children with SEND and we work with each family to accommodate the needs of each child. When a family joins us, we are happy to discuss those needs and work with them, to help them make the most of the groups and feel welcome and to enjoy all activities. We ask that the parent or carer comes along for a visit, to see the group and talk with us as to how we can make it work for them, and we are also open to ideas and suggestions to improve the groups for children and families with SEND
