IMO

Organisation details

Description of activity

IMO is a voice for teenagers in care and for care leavers. It is somewhere you can share stories, experiences and achievements, get and give advice, and find loads of great free stuff!

We share blogs, vlogs, podcasts and more from teens in care, and we link Children in Care Councils in England together around common campaigns.

We also share opportunities for care leavers, like jobs and apprenticeships, and we give away loads of free stuff!

IMO was created by the Children's Commissioner for England in collaboration with an advisory network of teens with care experience. If you would like to join this network and have a say in how IMO is run, get in touch!
