Adult Recovery Cafe

Organisation details

Description of activity

South West London and St George's Mental Health Trust, have commissioned two Recovery Cafes for residents in South West London. They offer safe, inclusive and welcoming spaces for people who are struggling to cope with their mental health during the evening and weekends when the other services may be close.

Adult residents (18+) of Kingston Richmond, Wandsworth, Sutton and Merton who are experiencing difficulties with their mental health and feel unable to cope.
