Description of activity

The Harlequins Foundation is the charitable arm of the Club, and the embodiment of the Club's belief to put our communities at the heart of everything we do. How can a child or young person with SEND take part in this activity

We all know the benefits sport can have for an individual. That is why at The Harlequins Foundation, we strive to remove any barriers that individuals face to access.

We run a number of inclusion programmes to make sure everyone has an opportunity to get involved in sport.
