Perform - Twickenham - Performing Arts for Children

Organisation details

Description of activity

Perform is a different type of drama school. We use a unique mix of drama, dance and singing specially formulated to bring out every child's true potential. Classes are kept small to ensure lots of individual attention by our experienced teachers - hand-picked for their warmth, energy and professionalism. They'll focus on your child's enthusiasm and engagement in the activities rather than their precision and be with them every step of the way to guide, inspire and encourage. As well as having fun at Perform, your child will enjoy real benefits - greater confidence, improved concentration and an increased awareness of what they can achieve.
