Organisation details

Description of activity

Children's Centres are places where all families with children under five, and expectant mothers and fathers, can go to help their children to get the best start in life. The facilities and activities are designed for young children and their families.

We have a team of fully qualified and experienced staff who can offer advice, information and guidance at any time. The team are able to offer help and advice on a wide range of topics; child development, learning opportunities, education, childcare, early education funding for 2 and 3 year olds, healthy start applications, food banks and much more.

Should you have any questions please do not hesitate to contact our Family Hub Lead Coordinators, Siobhan Meacher 07784 006661 or Sophie Hodges 07849 305143 or email us at familyhubkingston@achievingforchildren.org.uk
