## Childnet

### Organisation details

#### Description of activity

Childnet's mission is to work in partnership with others around the world to help make the internet a great and safe place for children.

We offer:

1. Internet safety sessions for pupils of all ages, parents, carers and staff members. Book online please. There is a cost for this service, details on website. All relevant staff have a valid current DBS.
2. Digital Leaders - peer to peer education programme to help empower young people to champion the safe and positive use of technology. There is a subscription cost to schools.
3. National Film competition - held annually and invites young people aged 7-18 to enter a challenge to create a new film about internet safety. There is no entry fee.
4. Online safety resources, activities, games, films and advice for parents, young people, teachers and other professionals. All resources are free to download. There is a small charge to cover postage and packing for a limited range of pre-printed resources.
