Sensory parties by Embracing Arts

Organisation details

Description of activity

We want every child to feel special, whether it's on their birthday or part of a community celebration!

We know how difficult it can be to find a party entertainer able to accommodate the needs of every child. We've built on our experience of performing interactive shows for children with complex needs to create a special party performance. This includes puppetry, music, key word signing, lights, textures, props and instruments. We offer a choice of stories or can create a new one around a theme or story that your child particularly enjoys.

Embracing Arts Parties bring the entertainment to you in a venue/space where your family feels most comfortable - no living room is too small!

Embracing Arts Parties are:

- Suitable for all ages
- Designed by actor-facilitators with over 10 years' experience
- Bespoke in content, theme, and venue - bringing entertainment directly to you
